With the month of September moving to the top of the calendar, I have a few reminders to throw your way. We still have a lot of golf tournaments to play, along with Wednesday and Friday skins games. You need to sign up with Larry

Lykins for the annual Laughlin tournament ASAP, which means NOW. Our golf course is playing the best for this time of the year that I can remember. We should all be taking advantage of the course, the weather, and all that our membership entitles us too. Speaking of MEMBERSHIP, our membership for the year 2010 starts in October, just a reminder how fast time moves on. We have Board elections in November. Sign up and run for a position on the RVGC 2010 Board. December is the Tournament of Champions tournament that will end a very good golfing year for our membership.

You note that your 2010 RVGA Membership card is enclosed with this mailing. Our club does two full membership mailings a year, one with your renewal card and the other is to provide your membership card. You have been told many times in the past, what a bargain our

Membership is. I happen to know it is true. As some you know, a few of us belong to "Private Clubs". I put the "Private Club" in quotes to drive home a point. That point being just how well our PRO Shop and course treats us. I know that each and every member of Don's staff will give us (the RVGA) the best deals possible on every item in the shop. As to Tee times and special considerations on which nines we play, Don's team always has our back. That is why even though I will no longer be on the Board, I will remain a member of RVGA.

To repeat a topic from my last month's article, Elections will be upon us soon. If you are interested in a position or just becoming more active in the clubs direction, please contact a Board member.

From the rough:

- Never break your putter and driver during the same round - Tommy Bolt
- Half of golf is fun; the other half is putting - Peter Dobreiner
- I don't enjoy video golf. There is nothing to throw - Paul Azinger
- Bob Bruce's comments regarding the Senior Tour: What's nice about our tour is you can't remember your bad shots.
- He enjoys that perfect peace, that peace beyond all understanding, which comes at its maximum only to the man who has given up golf - P. G. Wodehouse
- There are two things you can do with your head down, golf and pray - Lee Trevino
- Never putt until the cup stops moving - Bruce Lansky
- One of the advantages bowling has over golf, you seldom lose a bowling ball - Don Carter
- Golf is wonderful exercise. You can stand on your feet for hours watching somebody else putt - Will Rogers

As the year winds down and the Laughlin trip approaches, we are all reminded that our renewal period is just around the corner. This is when you get to spend part of your "stimulus" money to help stimulate the men's club with your stellar play and scintillating self...and you get to bring a friend along in the process. It's also a chance to throw your hat in the ring and run for a board position should you choose to stimulate in that capacity. Its part of the process of what we are as an organization and what moves us to become stronger as a men's club.

As to stronger, have you noticed Mr. Excitement himself, Don Bales, is back among us, fully recovered from his cardiac exploits in the local L.A. hospitals. If you get a chance, ask him if you can sign his "chest pillow". Though very protective of this accouterment, it is his proof that life's little health hiccups can be overcome and survived. As for all of us, these little episodes can happen more frequently than we would wish...don't be gallant...except you, Mark...see a doctor, ask questions, and don't take your health for granted...!!! (The above statement is a recent, first hand experience of yours truly...!!!)

Finally, to keep you apprised of the clubs largess, I want you all to know that your donations to the Klubs 4 Kids program will soon have golf equipment in the hands of novice golfers in Anaheim AND Yorba Linda. Yorba Linda High School, newly opened this year, is starting a girl's and boy's golf team and your old "sticks" will be there to see it get off the ground...just like the golfing experience of the four new girls joining my team this year at Katella. Thank you gentlemen. One day, because of you, they will enjoy hitting'em as long, as straight, and as often as you.

PREZ SEZ:

In January of 2010 we have two teams of team play that will be on Thursday and Friday, and we are looking for team Captains. You can get involved and be a big part of RVGC. As you have read, September gives you something to think about. See you on the greens.....
